VICEREGAL LODGE,
DELHI.

10th FEBRUARY 1923.

My dear Maharaja.

I hope the cases which Your Highness has mentioned to me in your letter of January 27th are now well on their way to a settlement.

As regards the subsidy, Your Highness is aware that a general question is involved. The whole question, which includes the aspect affecting the Mysore State in particular, was referred some time ago under my orders to His Majesty's Secretary of State and I am awaiting his instructions. When I have received the Secretary of State's instructions I will communicate the conclusion arrived upon at the earliest

possible opportunity to Your Highness.

As regards the surplus revenue cases, $13\frac{1}{4}$ lakhs out of the accumulated surplus revenue up to the end of 1920-21 which amounts to $3\frac{1}{4}$ lakhs, has been handed over to the Mysore Durbar. The Resident has submitted a number of schemes, the cost of which slightly exceeds the balance of $20\frac{3}{4}$ lakhs; I am having these schemes examined and hope to have passed orders in regard to them by the end of this month.

The surplus of the year 1921-22 is under examination and verification of the Accounts Officers and steps will shortly be taken to make a payment in regard to this item.

I trust Your Highness is enjoying good health.

With kind regards,

Sincerely yours
Pandey

Colonel His Highness
Maharaja Sir Krishnaraja
Wadiyar Bahadur, G.C.S.I., G.B.E.,
of Mysore.
